Owain Llewellyn
Senior Software Engineer

I am a Software Engineer with over 10 years of experience, specializing in full-stack engineering, UI/UX design and prototyping. I am currently building high impact internal tools at Apple that are used by a broad audience within the organization.

I am a collaborative and motivated self-starter, proactive in solving complex problems, operating in fast paced and dynamic environments with experience building high quality enterprise software at scale.

Skills

- Front-End Software Engineer
- Full-Stack Development (Svelte / Ember / TypeScript / PHP)
- UI / UX / Prototyping
- Product Design

Experience

Senior Software Engineer, Apple
Jan 2019 - Present

- Worked on multi-year projects building high impact tools used by +60K active users.
- Increased the efficiency and productivity of teams by building solutions and workflows to address process pain points.
- Experience in gathering requirements, prototyping, seeking feedback from stakeholders, through to execution, maintenance and support.
- Worked across different platforms (web, iOS) and programming languages, Javascript (TS), Swift and PHP.

Senior Software Engineer, Sailpoint
October 2017 - December 2018

- Delivered innovative enterprise web apps centered around identity and security.
- Lead team of four engineers building out UI experience for customer facing audience.
- Contributed to internal tools that improved developer experience and productivity.
- Worked to demanding deadlines, delivering features that increased revenue and active users.

Senior Front-end Developer, AKQA
April 2011 - 2017, London, Berlin, San Francisco, New York

- Designed and built UI prototypes for luxury brands, providing innovative digital experiences that evolved into customer facing solutions.
- Lead front-end development for major accounts, employing advanced web technologies and responsive design.
- Worked in high pressure environments with highly diverse and collaborative teams.

Education

UWIC Cardiff, United Kingom
BSc in Information Communication Technology (2002 – 2006)
